PROJECTS

Introduction to Data Science Final Project

Dec 2023

- Pulled experimental philosophy data from a public research database, organized and reshaped the dataset, and created various visualizations and descriptive statistics to extract additional insights beyond the scope of the initial research paper.
- Presented findings through a web-based dashboard created with R and shared via Github.

WORK EXPERIENCE

BroadRange Logistics

Sugar Land, TX (Remote)

Business Development Intern

Jun 2025 - July 2025

- Identified and contacted potential business partners using B2B databases and cold-email outreach.
- Wrote articles highlighting how the company's logistics services could support different industries.
- Created and managed LinkedIn posts to increase company visibility and engagement.
- Participated in team meetings and collaborated with coworkers across different locations on outreach and marketing efforts.

Mogen Industrial

Houston, TX

Warehouse Worker

Jun 2022 - Aug 2022; Jun 2023 - Jul 2023

- Assisted in day-to-day operations at a fulfillment and storage company with a warehousing footprint of over 300,000 sq ft.
- Responsible for organizing boxes, labelling orders, preparing shipments, and receiving packages.

EXTRACURRICULAR ACTIVITIES

DiRP

Austin, TX

Club Member

Feb 2026 - May 2026

- Engaged in a guided research program on AI alignment, analyzing advanced computer science literature and methodologies under the supervision of a mentor.

Ethics Bowl

Sugar Land, TX

Club Member

Aug 2023 - May 2024

- Engaged in weekly discussions and tournaments that centered around debating ethical dilemmas. Guided discussions, pitched ideas, and created frameworks for the team to analyze case studies.

Writing

Sugar Land, TX

Independent Journalist

Apr 2023 - May 2024

- **School Newspaper:** Wrote and published an article discussing political theory and its relevance to our lives. <https://chsroundup.com/13095/viewpoints/exploring-capitalism/>
- **Medium Blog:** Wrote and published articles discussing topics in ethics by introducing contemporary arguments in the field to a high school audience. <https://medium.com/@willz469>
